JESSIE DC BASAGRE

Web Developer

09270026482 jessiebasagre1@gmail.com

ABOUT ME

"Aspiring Web Developer with a strong foundation in front-end technologies including HTML, CSS, and JavaScript, and hands-on experience in Node.js for back-end development. Passionate about building interactive, user-friendly web applications and games. Experienced in game development using Unity Game Engine, with a focus on creating engaging user experiences. Eager to apply technical skills and creative problem-solving to contribute to dynamic development teams. Committed to continuous learning and staying updated with modern web technologies."
